Subject: Application for MTC Teacher Position

Dear Hiring Manager,

As a returned missionary who has served abroad, I have developed strong skills in teaching, leadership, and intercultural communication. My missionary service strengthened my ability to apply Preach My Gospel effectively, mentor individuals in both French and English, and adapt to diverse learners in one-on-one, small group, and large group settings. These experiences have prepared me to contribute meaningfully to the training of missionaries at the MTC.

In addition to my missionary background, I bring professional experience in customer service, team coordination, and coaching, which have sharpened my ability to provide constructive feedback, foster growth, and maintain high standards of performance. I am fluent in French and English, and I understand effective language-learning strategies, enabling me to support missionaries in their language development.

I also hold a bachelor's degree in marketing and management, which has equipped me with organisational, communication, and analytical skills that complement my teaching abilities. My academic and professional journey has reinforced my commitment to excellence, discipline, and teamwork.

Dynamic, motivated, and dedicated to the mission of the Church, I am eager to serve as an MTC Teacher and help missionaries prepare spiritually and practically for their sacred calling. I would welcome the opportunity to discuss how my background aligns with the responsibilities of this role.

Thank you for your consideration.

Sincerely, Koffi Bertrand Atoukoulou
